A payment status of IN PROCESS means the transaction is still being processed. A payment status other than PAID indicates that the Department of State has not received the funds.

### Next Steps

If the current payment status is not PAID, sign in to this case again in 2-3 business days to check for an updated status. Once the Payment Status is PAID you must print out the Document Cover Sheet and attach it to the documents sent to NVC. You should then go to the NVC web page for further directions.

### Paid Transactions

For each payment with a Payment Status of PAID, print a copy of the Document Cover Sheet (one for the paid AOS fee and one for the paid IV application processing fees(s)). The Document Cover Sheet will provide you with a correct address to which you must return your documents now that you have paid your fees. Failure to use the Document Cover Sheet will result in a delay in processing.
